

Tips for Morro Bay School Groups

Please take the following into account when requesting a reservation:

- School programs are usually two hours in length.
- Reservations must be requested at least 3 weeks in advance of the desired program date.
- A maximum of 60 students can be accommodated per program.
- There should be two adult chaperones for each 15 students.
- Provide a name tag for each student and chaperone.
- Close-toed shoes are a must for our outdoor activities and walks.
- Bring windbreakers or warm jackets to prepare for coastal weather variability.
- For the Bird Program, binoculars are desirable.
- If you are coming for the Estuary Program, try to choose a time at low tide to better explore the mudflats.
